Look To This Day

Look to this day!

For it is life, the very life of life.

*In its brief course lie all the varieties and
realities of your existence:*

The bliss of growth;

The glory of action;

The splendor of beauty;

*For yesterday is already a dream, and
tomorrow is only a vision;*

*But today, well lived, makes every yesterday
A dream of happiness, and every tomorrow a
vision of hope.*

Look well, therefore, to this day!

Such is the salutation of the dawn!

— In Memoriam —
Dr. J. Geary Critchfield

AUGUST 14, 1916-AUGUST 24, 1969

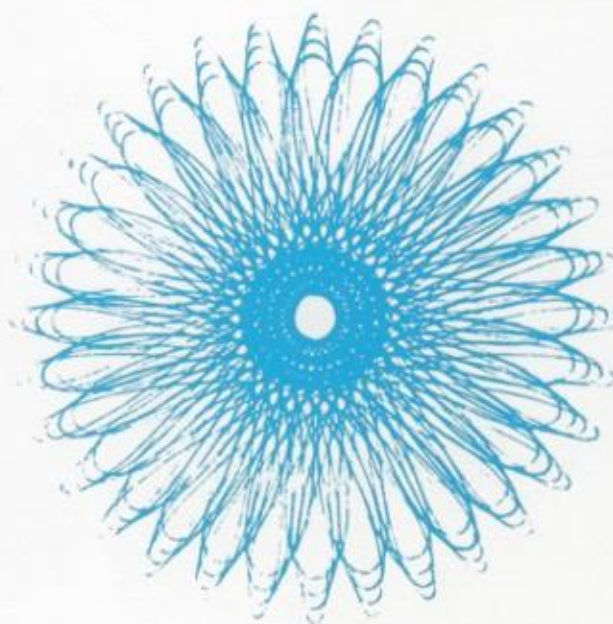

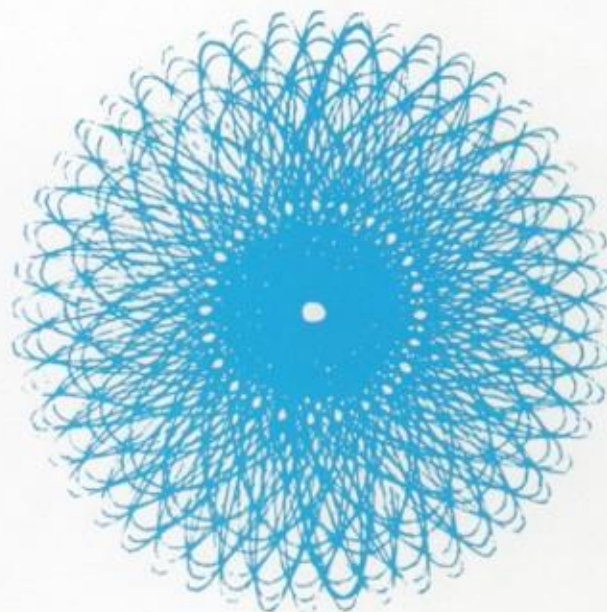

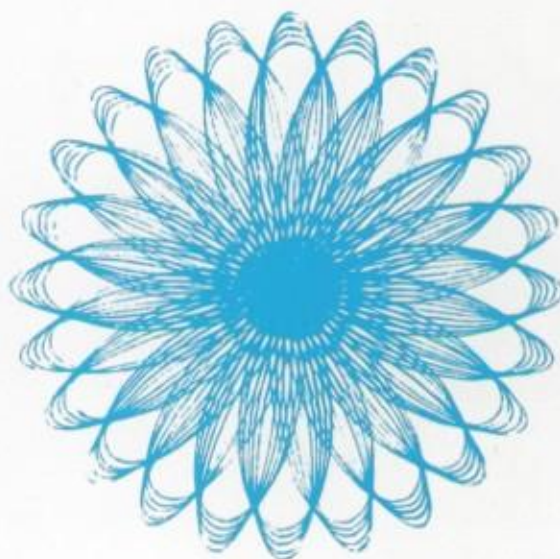

The year was 1969, and it was a year of losses. National leaders were slain, and many mourned. Here in our own small corner of the world, we lost the captain of our ship of state, and we mourned.

In the excitement and bustle of preparations for school year 1969-70, a hush fell, and he was gone.

Dr. Critchfield brought to us fresh ideas, new starts and a shared pride in achievement. The stamp of his personality is on much that remains behind. Our memories will dim in years to come, but they will stay with us. And thus, so will he.

One of the goals of a democratic institution is to have everyone – or at least everyone's ideas – represented.

Coming up with working solutions to the problems that face schools today requires an insight into a diversified, demanding community. The financial, maintenance and personnel problems of schools are increasing with the demands of students, educators and the community.

Coping with these problems is our school board, a sort of mini-community comprising a wide variety of occupations.

The farmer, the government worker, the craftsman and the steelworker are cooperating with one purpose in mind: A BETTER EDUCATION.

LOOK TO THIS DAY

and to the world we live in. Where there is much turmoil and restlessness in all youth of today. This may be good – there are things that need changing. Beware of protest for the sake of protest. That is not an end to the means – it is an end within itself. As graduates you can be most effective – you can show what can be accomplished. Those who choose to follow Auslander's advice . . .

"to climb, to cling, to fall, to grope up the grim Everest of hope . . . will discover

"freedom is a pledge, a promise, and a privilege, a glory earned, a grace to cherish, or lightly held, as lightly perished."

It is all in a day's work for the secretaries to devote their efforts toward organization of announcements, mail deliveries, money counting, bookkeeping, typing, answering questions, and

counting heads. Their expertise and effectiveness is tangible in every department in the school.

What do they do in their spare time? Linda is adept with the ski-doo and Katie can play the piano and organ as skillfully as she types.

The busiest room and the smallest is the IMPC room. Here work progresses in rapid order. Need a job done? Ask Janie, Peg, or Joann. Stencils are cut and mimeographed, instant zerox copies are made, and transparencies roll out by the dozens. Need a paper laminated? Want to pre-view a movie? Need a test typed? Step in there is service with a smile.

LOOK TO THIS DAY

In the fall of the year
When all nature lies dormant
Being a Senior is the end
of play practice
and parades
and childhood days.

In the winter of the year
When all is hidden under snow
Being a Senior is the finality
of term papers
and basketball games
and Christmas concerts.

In the spring of the year
When all is fresh and new
Being a Senior is a beginning
of new ideas
and new friendships
and new horizons.

Our choruses, year after year, surprize the most hardened critic by surpassing last year's performances. This can be attributed to the fact that music is "life, the very life of life" in our community.

Members of Mid-East Music Conference

The eleventh annual Mid-East Music Conference began Friday morning, March 20 and ended March 23, 1970. Participants were invited to attend the first clinic that featured eight of the nation's foremost flutists. Many famous bands, orchestras and artists followed the program.

The All-Star Stage Band was a new feature added this year and was directed by jazz authority, Raymond DeFade. Following the All-Star Concerts the Stage Band performed at the "Victory Ball."

The All-Star High School Clinic Band offers a unique opportunity for high school players to rehearse and perform a large number of new band works under composers, arrangers and noted guest conductors.

Scholastic Quiz

This year Shanksville-Stonycreek was represented on a revamped Scholastic Quiz by the team of Tom Knepper, Dick Knepper, Karen Wetzel, and Jerry Spangler. The team, accompanied by their advisor, Mr. Brown and a student audience, journeyed to the studios of WJAC-TV to do battle against a two-week defending champion team from Bishop Guilfoyle.

Considered underdogs by most, the Shanksville team shocked even themselves by defeating Guilfoyle by a score of 200 to 165. For its work each member of the team won a copy of World Book's Yearbook. The team also won a \$150 scholarship for a student attending the University of Pittsburgh at Johnstown. The scholarship was presented to Tom Walker.

Earth Day

Earth Day was a day set aside for nation-wide discussion on the problems facing ecology. In our school, the Debate Club and the FTA co-sponsored the local activities. A cartoon contest was sponsored. Winners were recognized at the assembly held on April 22. The assembly's main theme was "If you're not part of the solution, you're part of the pollution." Earth Day has passed, but it is hoped that its spirit will remain.

THE WHITE HOUSE

WASHINGTON

TO THE 1970 GRADUATING CLASS
SHANKSVILLE STONY CREEK JOINT SENIOR
HIGH SCHOOL

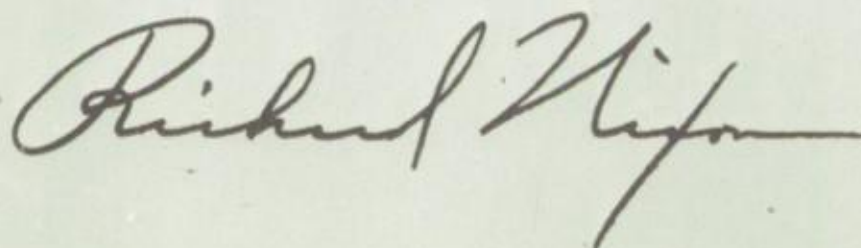

It is traditional on commencement day to congratulate the senior class and to address all of the graduates in terms of what the future holds for them. I am breaking that tradition, and instead of congratulating and addressing the class as a whole, I would prefer to direct my thoughts to each of you individually, through this letter.

If I had the opportunity to greet each of you individually, this is what I would say:

Congratulations -- on being who you are, a unique human being capable of making a special contribution to our nation and the world. Congratulations on being fortunate enough to have parents and teachers and administrators who care deeply about you.

I don't have to tell you what the future holds for you. You know that life has responsibilities as well as rewards, failures as well as successes, tragedies as well as joys. You know that our nation offers splendid opportunity -- and faces grave problems.

On your commencement day, then, the important question is what you hold for the future. I am confident that your special and irreplaceable qualities of mind and heart and spirit will contribute to the building of a strong, free and just nation and a peaceful world. As you go forward you take with you my best wishes and highest hopes.

A handwritten signature in dark ink, reading "Richard Nixon". The signature is fluid and cursive, with a long horizontal stroke at the end.

CLASS of 1970

High School Auditorium
Thursday, May 28, 1970
Eight o'clock p.m., d.s.

STUDENT COUNCIL MEMBERS—Thomas Walker, David Baltzer, Jerry Spangler.

TEACHERS OF AMERICA—David Baltzer, Brenda Bauernmaster, Gregory Lowry, Katherine Morrow, Gloria Maust, Susan Schweitzer, Denise Spangler, Jerry Spangler, Cathy Stull, Karen Wetzel.

HONOR SOCIETY—Richard Knepper, Jerry Spangler.

MEMBERS—Sara Jane Foy, Margaret Shultz, Keith Duppsadt, Jeffrey Baltzer.

Graduating seniors, Linda Miller, Cary Snook, David Baltzer and Donald Miller give out with some sage advice to their younger brothers and sister:

Look to this day as a step toward a goal in life rather than a day closer to the end of school. This is the time of learning, a time of growth and a time to strive for individualism. Yesterday is only a dream of the past "but today, well lived, makes every yesterday a dream of happiness, and every tomorrow a vision of hope.

LOOK WELL, THEREFORE, TO THIS DAY,
SUCH IS THE SALUTATION OF THE DAWN."
